

FARMER NETWORK IN YEMEN

Adel Zolail

WUAs

Started in 2000s in Yemen's Wadis

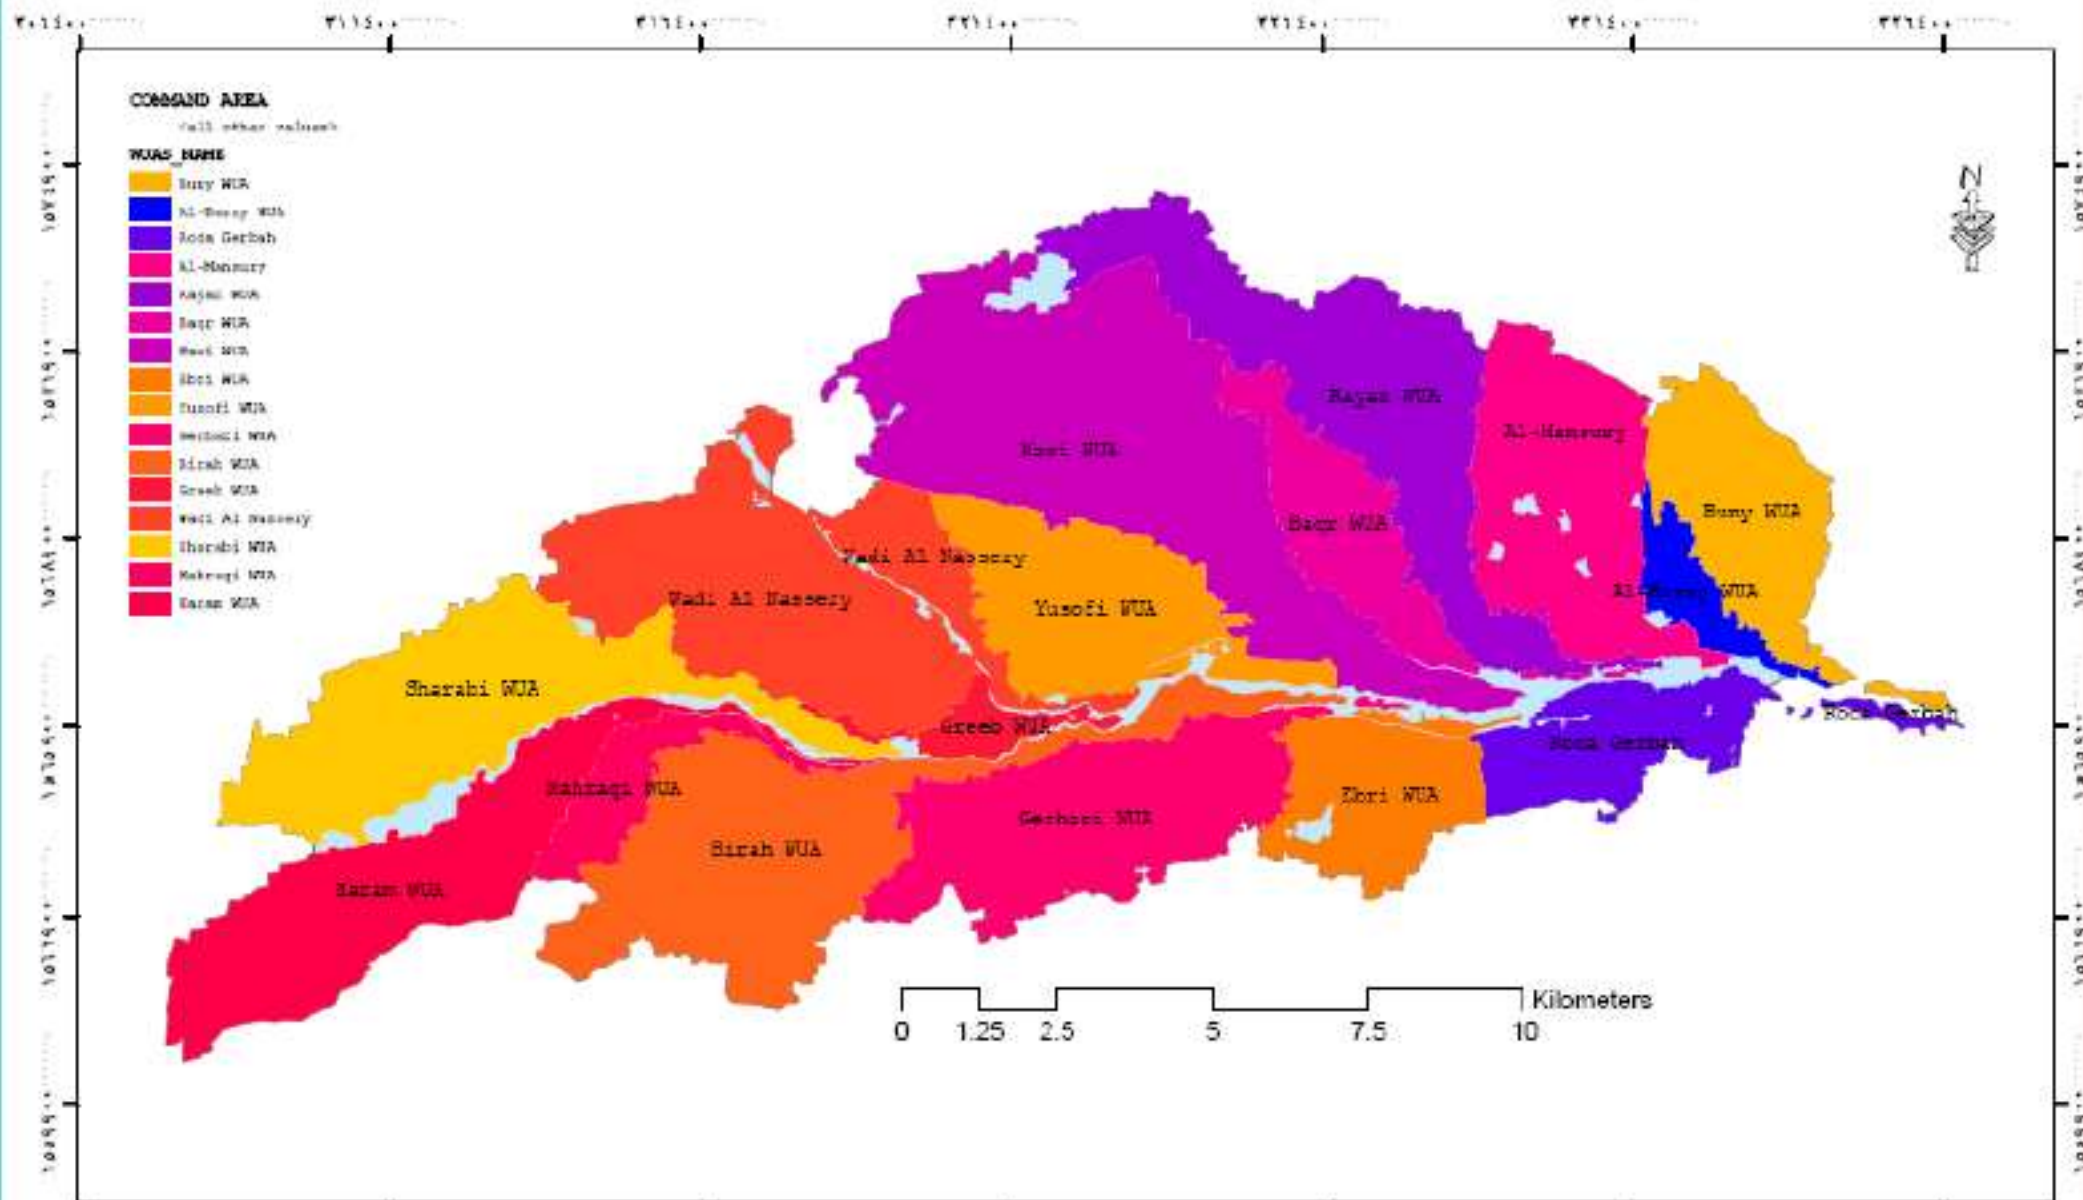

WUAs included groups of the farmers within specific geographic formwork

Some of WUAs managed by powerful people in the Wadis

WUAs works includes supervising and distribution of spate water between the users

Irrigation Council is a group of WUAs for one wadi

WADI ZABID COMMAND AREA

PRESENT SITUATION

WUAs facing many problems related to;

Damaging of the infrastructures by Saudi Airstrikes

Stop cleaning the canals

Scarcity of Financial supplies by the government

Lacking of farmers income
